

APRIL 23 & APRIL 24

SUMMIT 2021

EARLY BIRD REGISTRATION - \$20 UNTIL MARCH 31 (TODAY)
REGULAR REGISTRATION - \$30 UNTIL APRIL 16TH

For more than 20 years, Alberta Bible College has hosted significant conversations about the future of the Church of Jesus Christ particularly as it relates to leaders in the Restoration Movement of Canada. One of those annual conversations is the event that started as a Church Planting Summit, later becoming the Leadership Summit and now simply known as The Summit. More than ever, we need to consider what it means to be the church in the disruptive times in which we live.

April 23 and 24 sees Alberta Bible College and the Summit planning team collaborating with a sister organization asking the same question: "How is the Spirit using the social upheaval and disorientation of our time to reshape and reorient the people of God?" The keynote speaker will be Brian Sanders, Executive Director of the Underground Network. A serial entrepreneur, Brian has helped to start hundreds of missional enterprises, including churches, non-profits, and businesses all over the world. Based in Tampa, Florida, the Underground now has movement hubs in thirteen cities and five countries.

Vision Ministries Canada (VMC) and the Summit Team/Alberta Bible College are hosting a national Zoom gathering for church leaders and ministry practitioners to imagine a path forward together.
