## Celebrating ABC's 91st Birthday

By Rachel Hart

The ABC Community gathered on September 16th for ABC Day to celebrate Alberta Bible College's 91st year. After a hymn sing and memorial, Dr. Stan Helton, ABC President, offered an update on the college and Adjunct Professor, Tanya Woo, spoke about ABC's plans to offer a Master's program in Christian Counselling.

**“What’s a challenge you’ve faced during your studies and how did you manage to overcome it?”**

One of the most significant challenges I have faced whilst being a student at ABC is to find the self discipline required to complete coursework at night after having been a full time mother to two little ones in the day. Getting into a good routine with my coursework has helped me overcome this and stay motivated...
