About Fairview Bible Church:

Fairview Bible Church is located in the City of Swift Current, which has a population of about 18,000, which is a community located in the hub of southwest Saskatchewan. The church held its dedication service on June 23, 1968. The physical structure of the church was, and still is today, tangible evidence of God's faithfulness, blessing and provision. Construction was begun only after much prayer to God for His direction and abundant blessing. It was a work begun in faith and earnest belief in the promise of God. God has never failed to fulfill any of His promises! Not only is the building a token of God's faithfulness; it was also the result of co-operation among volunteer laborers who were willing to give time and funds sacrificially. The Church still stands today as an edifice built to "praise the Lord and His Glory".

Over four decades have passed since the dedication service and God's faithfulness and blessing is as real today as it was in 1968. Although families and Church members have come and gone over the years, Fairview Bible Church still stands as a lighthouse in the community; pointing the lost to a Living Savior.

Fairview Bible Church is a smaller community of believers that seek to bring honor to God through the ministry of preaching and worship. We seeks to edify and encourage men, women and children; for the building of Christian homes, for the guidance of our youth; for Christian fellowship, and the spirit of Christian love.
